

Guidelines for this course

I. Engaging and Asking questions.

You may **engage** in this course by asking questions. I will respond within **24 hours** of any questions. To submit questions, please follow this support guide from Udemy or **post them in the Q&A below each lecture.**

<https://support.udemy.com/hc/en-us/articles/229233387-How-to-Ask-a-Question-About-a-Course-You-re-Taking->

II. Resources

The PowerPoint/Slide presentations I used for training your employees are located on **GitHub** via this link: <https://github.com/ltq477/Empower-Your-Team-Cybersecurity-Training-for-Your-Employees>

III. Udemy Technical Support

- This course **ONLY** provides content regarding the subject matter and does **NOT** offer *Udemy technical support*.
 - **Udemy support** may be found here: <https://support.udemy.com/hc/en-us>
- Instruction on how to navigate this course can be found at the Udemy website here, **Course Navigation**: <https://support.udemy.com/hc/en-us/articles/229603648-How-to-Use-The-Course-Player-and-Start-your-Course>
